EXPEDITIONS

START YOUR JOURNEY

Set out on an adventure that will change your world. See your own passion ignited as you serve alongside our gifted Kenyan staff.

Your expedition will have a lasting impact on the community in Kilgoris—but that's only the beginning. Our hope is that your experience will inspire you to continue as a TKP partner.

2017 Trip Dates

January 19-30	April 6-17	June FULL 9-21	July FULL 5-17	July 20-31	Sept/Oct 21-2
------------------	---------------	----------------------	----------------------	---------------	------------------

Keep in mind

- Team space is limited to 15-18 travelers
- All teams are open to volunteers from any location
- Let us know your needs

Trip Expense

Expedition arrangements include flights, ground transportation, travel insurance, lodging, food, gratuity, safari and guide fees. January, April and September packages cost \$3,200. June and July packages cost \$3,700.

Passports, visas, immunizations, medications and travel supplies are not included. Plan on \$200-\$400 in additional spending depending on your medical insurance, passport status and personal travel needs.

Payments and Fundraising

Upon placement on a team, a non-refundable \$250 deposit reserves your place. For summer travel, a \$2,000 payment is due four months prior to the trip. For off-season travel, a payment of \$1,500 is due four months prior. For all trips, the balance of \$1,450 is due no later than two months before traveling.

The Kilgoris Project is a registered 501(c)3. All trip donations and payments are tax deductible. Many TKPx volunteers choose to raise funds as a means of building awareness and/or out of financial need. TKPx offers assistance with fundraising plans and ideas.

IGNITE YOUR PASSION

Invest in the children of Kilgoris by sharing your skills and knowledge in the classroom. You will prepare a lesson (about 30 min) that will allow you to engage with the children in an intimate way. TKP students and teachers are passionate about education; they are so excited and eager to learn!

No matter what your background or skill set may be, everyone has something to share. TKP staff will help you prepare and walk beside you every step of the way.

What to expect

Our travelers both give to the community and receive from them. Everyone has something to contribute. Depending on skills and the trip, travelers may share in a classroom, connect with students through playground activities, provide teacher development, train office staff, enrich local churches or teach community workshops. The Maasai love to share their vibrant culture through singing, dancing and fellowship, and often graciously invite visitors to their homes.

Kilgoris is a rural town and TKP schools are in remote locations. Rugged roads lead to the unexpected. New faces, places and experiences await you each day. When you travel with an open heart and mind, with a go-with-the-flow attitude, with a willingness to serve in any way needed, you'll be rewarded with an amazing adventure.

CHANGE YOUR WORLD

"After going to Kilgoris with TKPx, no dream vacation could come close to the beauty I experienced there—the landscape, the people, and the moments that enrich your soul. Best of all, you know your service isn't just placing a Band-aid on things; you're serving as part of an organization that's employing sustainable solutions that are creating lasting change, in Kenya and in you!"

KATIE DIXON / TKP PARTNER SINCE 2011

Safari

As a transition time before heading home, you will enjoy the opportunity to see Kenya's amazing wildlife and natural scenery during a full-day game drive on the Maasai Mara. If you wish to extend your safari, TKPx will be happy to offer you assistance with this.
